Budget Message

September 6, 2021

To: Dr. Ronald Kraft, Superintendent/President
From: Douglas Roberts, Interim Vice President, Business & Finance

Enclosed for your information, please find the FY 2021-2022 Final Budget (“Final Budget”). The Final Budget reflects estimates of state revenue as per the Chancellor’s Office Advance Apportionment and other budget planning assumptions, including salary increases, as reviewed and recommended by the District Planning and Budget Committee. On August 31, 2021, a Campus Forum was held to discuss the budget and following the Campus Forum, the District Planning and Budget Committee conducted a final review of the budget and recommended forwarding the budget to you, with the understanding that budgets are not static instruments, but ones that should periodically be reviewed and amended as needed. The District Planning and Budget Committee will play a very important role in monitoring the District’s budget status as we move through the fiscal year.

The FY 2021-2022 Final Budget reflects a few changes in revenue and expenditures when compared to the FY 2021-2022 Tentative Budget adopted in June. For the Unrestricted General Fund, Federal and State funding remained the same, but Property Tax Revenue was reduced to reflect updated projections for 2020-21. Also, Local Revenue was reduced to be more reflective of prior year amounts, and the continuing effect of COVID-19. Total expenditures are lower due in large part to the reduction/elimination of interfund transfers and OPEB contributions. Both of these reductions were made to reflect prior year actual expenditures. Capital Outlay budget was increased from the Tentative Budget to be more reflective of prior year actual expenditures.

Overview of this Document

Included in this document for review and adoption by the Board of Trustees are the 2021-2022 Final Budgets for the Unrestricted General Fund, Restricted General Fund, Child Care Fund, Capital Outlay Projects Fund, Post-Retirement Benefits Fund, California Employers’ Retiree Benefit Trust (CERBT) Fund, Debt Service Fund, Associated Student Body Fund, and Student Representation Fee Trust Fund.

Statutory Obligations

Title V Regulations state that the governing board of each district shall adopt a final budget on or before the 15th of September. Failure to meet this deadline may result in the Chancellor’s Office withholding any apportionment of state or local money until the district makes a proper budget.

Staff Recognition

I want to thank the Planning and Budget Committee 2021-2022 Co-Chairs Robyn Wornall and Maria Biddenback as well as the members of the Planning and Budget Committee for leadership and oversight of this process. Thanks go also to my predecessor, Robert Parker, who developed the Tentative Budget upon which much of this Final Budget is based. And, special thanks go to Eresa Puch, Wendy Nucho and Solange Kada for their extensive help to close the books for 2019-20, and assistance in the preparation of the budget and presentation materials.

Integrated Planning and Budgeting

The College's annual budget is developed based on a realistic assessment of financial resources available. In accordance with Title 5 of the Education Code, NVC College Board Policy 6200 – Budget Development requires that the budget development process for the next fiscal year begin early in the current year, so that a Tentative Budget is available no later than July 1 of the new fiscal year.

NVC's institutional goals are reflected in the Strategic Plan. The annual unit planning and budget processes have become more integrated over time. The planning effort continues with annual unit plans that are responsive to annual strategic objectives which link to the Strategic Plan. The unit plans contain the opportunity to request additional staffing and resources. Unit plans contain prioritized initiatives. The prioritized unit plan is forwarded to the appropriate Area Council (Academic Affairs, Student Affairs, Administrative Services, or President's Area) where they are consolidated and prioritized.

The Planning and Budget Committee process is informed by decision supports approved by the Board of Trustees including the College's Budget Development Values and Assumptions. This process is also meant to work under circumstances of reductions and allows for reallocation within an area based on priorities, or between areas at an area council level. The Planning and Budget Committee provides a yes or no recommendation to the President based on the availability of resources.

Informed by the Governor's State Budget and projections of local revenues, the College's fiscal services team, in collaboration with the Planning and Budget Committee, develops strategic budget development values and assumptions that are aligned with the annual planning priorities and are codified in areas of fiscal stability, personnel, legal mandates, grants, and expenditures. The Board is provided the annual College Planning Priorities and the Budget Development Values and Assumptions, all of which are included in the Tentative and Final budget development process.

2018-2023 Institutional Strategic Plan

1. Work with local educational partners to promote opportunities at NVC and equip incoming students with the skills and resources needed for college success
2. Engage NVC students and assist in their progress towards educational and job training goals
3. Increase NVC student achievement and completion of educational and job training goals
4. Achieve equity in student outcomes and promote equity-mindedness as a means to evaluate all District practices
5. Ensure the fiscal stability of NVC as a community-supported district
6. Enhance collaboration between NVC and community and civic partners
